

Session 1 – Brad Carr

The Feast (Luke 22:1-38)

The Passover – the historical backdrop (22:7-13)

The Betrayals – the immediate context (22:1-6, 24-34)

The Last Supper – the key moment (22:14-23)

“The call to ‘remember’ is Jewish, which the nation did annually in the Passover as they looked back at the Exodus. Such a calling solidifies a community’s identity by taking them back to their roots, to events that forged who they have now become. It gives them a chance, as one body, to reaffirm what God has done for them.” Darrell Bock
