Answered Prayer

Hello, This is Azar

I'm sorry I can not speak English properly, I'm sending this message to you to thank you for keeping us in your prayers and thoughts. We have never met but know each other through Jesus Christ. Eghbal and I are going through very difficult times in our lives and prayers of you and other believers in

Christ have been encouraging us to keep facing our challenges.

You saved a human life by helping us. I hope one day I can help someone in the holy name of Jesus Christ.

I will never forget, and you will be in my daily prayers

Thank you very much indeed. God bless you and your family.

My apologies for the big delay in responding to your messages. I was very busy with appointments at the hospital .

The photos were taken while I was still in hospital. I went to very difficult times and I'm sharing this as a word of testimony of faith. Through every moment I was feeling God near and I only endured those days with the strength that God gave me. I found comfort through the prayers of all my brothers and sisters in Christ from all over the world. I look forward to the day that I meet you all and share this testimony with you. I believe that no matter how far we are in physical distances, we are close to each other through our Heavenly Father. And I believe my difficult recovery pathway will become easy in the Name of Jesus Christ. Please stay in prayers for us both in my health recovery and our protection application.
