# Keys to Answered Prayer (1)

Just as the right key opens the door, there are Scriptural principles that act as keys to prayer. Over time we'll look at them.

## Faith:

*"Without faith no one can please God. We must believe that God is real and rewards everyone who searches for Him."* (Hebrews 11:6)  
God doesn't necessarily respond to your need. Look around and you will see that everyone has unmet needs. So what does God respond to? Your faith!

Satan will try to fill your mind with doubts. When he does, you need to examine your heart and see what it says. You can believe God's Word in your heart even when your mind questions it. So rely on what's in your heart instead of what's in your head. Sometimes doubt begins with distraction. When you're distracted from God's promises, you start to doubt. And as you focus more and more on your problems, your faith begins to waver. When that happens, you must refocus like a laser on God's promises—and merely glance at your problems. Don't try to deny them, but don't give them undue attention.

The Bible says: *"But when you ask, you must believe and not doubt, because the one who doubts is like a wave of the sea, blown and tossed by the wind."* (James 1:6)

Stay anchored to God's Word, and don't drift all over the place when your circumstances begin to change.
