EMMAUS CORRESPONDENCE SCHOOL (NSW)

We have some urgent prayer matters we would like to let you know regarding our calendar promotion.

As you are aware we have lost many of our “retired loved friends” recently and this has left a big hole in our operations. At the time we receive our calendar order from the printer in Brisbane we have quite a load of physical work that needs to be done as well as some local and near metropolitan Sydney deliveries.

- When the delivery arrives it is usually on 3 pallet-loads and we have need of a place to keep the calendars for about 2 weeks around the end of October with access to a fork lift unless we can arrange a different sort of packing??
- When we receive the delivery we need about 6 fit young men to help sort the calendars into the runs we have prepared for the delivery.
- After this is done we will be looking for some drivers to do deliveries in their vehicles to local churches and assemblies as well as some of the Correctional Centres.

If you are able to help in any of these areas we would love to hear from you although it is some months away. Planning will be underway shortly so please talk to Faith Connell if you would like more information or would be willing to help in any way.

We would value your prayers for this undertaking as well as the calendar outreach to Churches and Assemblies. We are aware that calendars may not be used by many people but we give the option to Churches and Assemblies to donate funds to support this outreach. To the inmates calendars are very much loved and each calendar has the offer of 2 free courses as well as the message of the Gospel included on the back cover. We have had some wonderful testimonies from many students which have been included in our Connect for some time so God is at work in this ministry and we would love to hear from you shortly.
